Turn-Over.

You are aware, beloved Brethren, that you were not called upon, through the whole winter season, to give an alms for the benefit of the Orphans & the Poor of this Parish which we have to support at St. John's Orphan Asylum & in other places. Their Bill is due, & there is no money in the treasury of the Poor to pay for it. The greatest part of the other wants of the Poor throughout the Parish, has been liberally attended to by the personal Contributions of the members of St. Vincent's Conference. Next Sunday, Your alms & Contributions for this purpose will be received at the entrance of the Church; by that act you will lend your money to the Lord who will repay you; we say nothing of the Indulgences which the Sovereign Pontiff has granted to such Contributors.

Instructions for First Communion ~~and for Confirmation~~, will be given by Father Nagle, in the Children's Chapel, every Tuesday and Friday afternoon, at half past four o'clock.

We also desire to encourage this Congregation to visit the Bazaar of La Salle College & to endeavor to make it a success to the good Christian Brothers who deserve our Cooperation.

Next Sunday will be Good Mors Sunday & feast of the Patronage of St. Joseph.

Your Prayers are requested for the repose of the soul of Mrs. Jane Burns, John Thorn, Edward Hutchison, Willie Fitzgerald, John Lyons.

This month a year ago, we announced that we were commencing your New Church, the Church of the Gesù, & solicited your assistance for this great work. The Foundations have been laid & blessed; - the expenses amounted to nearly fourteen thousand dollars. Your liberal & kind Contributions during this last year came up to nearly nine thousand dollars. There remains therefore a debt of five thousand dollars on the Foundations of the Church, & no money to pay this debt. If the Building must go on this coming summer, we shall be obliged to borrow money & contract a <sup>still</sup> greater debt, unless your continued Contributions ~~will~~ prevent this incumbrance. If we had to lay the Foundations this year, or had laid them the year previous to the last, instead of fourteen, they would have cost us twenty eight thousand.

The excellent entertainment of the Pinafore, for the benefit of our New Church will come off, in St. Joseph's Hall, next Thursday evening, at 8 o'clock. The Ladies & gentlemen who have so kindly accepted of our invitation, deserve your highest patronage.

Next Sunday, the usual Collection for the support of  
our School will be taken up at the entrance of the  
Church. You are all aware that Ten Teachers

are employed at our School, each with a salary  
of Three Hundred Dollars a year, which makes  
Three Thousand Dollars per annum. Then,  
~~together with~~ the salary of the janitor, the necessary  
Coal for winter, the various repairs, & books for the  
poor, amount to another thousand Dollars.

Hence, the yearly expense for our School is no  
less than Four Thousand Dollars. Now, the  
Collections for the School so far, amount to only  
Nine Hundred & Thirteen Dollars. And therefore  
the Congregation owes yet over three Thousand  
Dollars to defray the expenses of the School for  
the current year. Necessity obliges us for the  
future, to take up the Collection every month,  
& even that means will not suffice, unless  
your Contributions be more liberal for the School  
than they have been heretofore. -

Your Prayers are requested for the repose of the  
soul of Mary McCullough, M. Philip F. Scanlan, John Henkels,

[at the late Mass] The Banns of Matrimony are published for the first

You will remember that this time three years ago,  
we laid the Foundation & the Corner Stone of our New  
Church, dedicated to the most holy Name of Jesus. At that

time, there was a debt on it of nearly 6000 Dollars.  
Since then, we have paid off this debt of 6000 Dollars,  
& besides, we have collected for our New Church  
Twenty Thousand Dollars. Now, these 20 Thousand  
Dollars, we are going to spend on the New Church, by  
constructing its walls on the foundation, com-  
mencing with next Spring. & we shall continue  
building, until the money is spent; - & then, of  
course, we shall stop the work, for, we do not intend  
to borrow any money, nor contract a debt on the  
new Church. - If therefore, you desire that we  
should not stop the work, you will have to send  
us constantly new contributions, where with  
to defray the expenses, otherwise we shall be forced  
to discontinue the work. - If we had all the money  
requisite for building & finishing the Church, it would  
require three full years, before we could move into it.  
How many more years then will it take, if for want  
of money we shall be obliged to stop the work. - To  
put our New Church under roof, no less than One  
Hundred & Sixty Five Thousand Dollars are necessary,  
and of this great sum, we have only 20 Thousand.  
The walls will then rise only very little, unless  
your Contributions become unusually liberal. The  
more you give, the higher the walls will rise;  
the less you give, the lower they will stop.

Now, since <sup>we</sup> know, that you are all anxious to  
see the work progressing, I entreat you to send  
in your Contributions, with your names without  
much delay, that by next February we may  
know, for what amount of money we may  
be authorized to give out the Contracts for  
building. - Are you surprised to hear that we ask you  
to bring, or send in your Contributions, for this great  
work of a magnificent monument in honor of the holy Name  
of Jesus? - How much time or trouble will it take for  
three or four thousand persons, to send in their Donations,  
- How much? - Scarcely any; - & it will be done with  
much grace, & even with more merit. - Why then  
would any one expect that a Pastor who is already burdened  
enough, should take upon himself the immense labor  
& time to visit three or four thousand persons, when  
all that could be spared? If it were to save your souls,  
we would not refuse to do ten times more. But if it  
is merely to run after money, & to run after money  
at the sacrifice of the most essential parochial duties,  
I say, no, - a thousand times no; - it is better  
to have no money, than to have it such a loss.

Besides, let me call to your mind, that to contribute  
to this New Church, you contribute towards a Church of  
the Society of Jesus, for which benefit, the Society of Jesus  
considers you as their benefactors, and as such, makes  
you sharers in more than 4000 Masses a month, for

life, & after death, until you reach heaven.  
Is this not an immense encouragement to you  
to be liberal; - to be liberal at all times; for the  
work is not for man, but for God whose  
liberality is without limit. - Courage, then  
beloved brethren; - the work is great, & the result  
great, worthy of God & glorious to man. -  
We know that you can be liberal; - for, you have been  
liberal to others, to strangers, - & we praise you for your  
generosity; - but now, the time has come when all of you  
should be liberal towards yourselves, for your own Church,  
built in honor of the most holy Name of Jesus, who will  
~~never allow himself to be overcome by liberality.~~  
never allow himself to be overcome by liberality.

The collection for Coal received last Sunday, was more than 200 Dollars less than needed for paying the Coal Bill.

Nov. 16<sup>th</sup> 24<sup>th</sup> 1884 Pent. & 3<sup>rd</sup> Sund. of the month.

This evening after Vespers, the usual prayers for a happy death will be recited, & new members received into the Bonamors Confraternity.

This day, we celebrate the feast of the Patronage of the Blessed Virgin Mary, & on Friday, the feast of Her Presentation in the Temple.

Saturday, feast of St. Cecilia, Virgin & Martyr.

The collection received last Sunday, for paying the Coal Bill of Church & School, was more than Two Hundred Dollars less than is needed for the payment of the Bill; hence for these three years, we have to pay a great amount to keep you yourselves & your children comfortable in the Church & in the School. —

As regards the collections for the School, it is well for you to know, that notwithstanding the sacrifices you make for supporting the School, they fall greatly below the amount requisite for paying for the School. we ourselves have to supply the deficiency the best way we can. — over ~~one~~ <sup>over</sup> ~~one~~ <sup>one</sup> ~~thousand~~ <sup>thousand</sup> Dollars a year, we have to add to your collections, to keep the School going. All this goes to show, how difficult it is to build our New Church, because great sums of money have to be applied to the support of the School, which

otherwise could be employed for the building of our New Church.

Next Sunday, the collection will be taken up at the entrance of the Church for the Poor & the Orphan, of this Parish, for whom we are bound in conscience to provide in the various Asylums of the City where they have been placed by the assiduous care of the Conference of St. Vincent de Paul, where the Bill, due amount to several Hundred Dollars since last July. — We feel sorry to be compelled to speak so much of money affairs. — but, since the objects for which we plead, regard the glory of God, the good of Religion, & Christian charity, we are confident that you will always be liberal, knowing that God's Blessing shall not be wanting to you.
